DETAILED ACTION

1. In the Office Action of 31 January 2005, Examiner required the submission of a clean copy of the specification since so many amendments have been made that Examiner cannot determine what is disclosed and what is not. **This must contain a statement that the specification contains no new matter.**
2. Applicant has failed to provide the required specification. In an effort to provide customer service, to advance prosecution, and to avoid rejecting all claims for failing to comply with the written description requirement of 35 USC §112, 1st paragraph, Examiner is reminding Applicant that the requirement for a clean specification is still outstanding.
3. Since Applicant failed to respond to the requirement, the amendment filed on 4 August 2005 is non-responsive. While Applicant has stated that a new specification is forthcoming, Examiner cannot work on the Amendment until the specification is submitted.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Corbett B. Coburn whose telephone number is (571) 272-4447. The examiner can normally be reached on 8-5:30, Monday-Friday, alternate Fridays off.
